# Register of Small Registered UK AIFMs

This register includes details of Alternative Investment Fund Managers that are registered as small registered UK AIFMs under regulation 10(1) of the Alternative Investment Fund Managers Regulations 2013 (SI 2013/1773). Small registered UK AIFMs are not authorised persons as a result of their registration as small registered UK AIFMs and are not included on the Financial Services Register in relation to this business. However, small registered UK AIFMs are not prevented from carrying on regulated activities as a result of their registration as small registered UK AIFMs and therefore may be included on the Financial Services Register in relation to other business.
